I'm Henry, but people often call me Hens. I live in a small town in England. We've got a lovely old church in the town and some shops, but there is no swimming pool. That's sad, because I love sports and swimming is my favourite thing to do.

My favourite subjects at school are PE and Science, but I don't like French very much. It's too difficult. My Science teacher, Mr Black, doesn't live in our town. He comes to school by bus every day, and sometimes he walks home 10 kilometres!

I'm 13 next Wednesday, so today, I'm planning my birthday party. A lot of my friends are coming to the party. My best friend Andy is helping me with the decorations. We are buying some balloons in our supermarket.
